(b) Interest on each Current Interest Bond shall accrue from its dated date as set forth in the Purchase Contract. Section 10. Description of Capital Appreciation Bonds.

(a) The Bonds issued as Capital Appreciation Bonds shall be issued in fully registered form in any denominations of their Principal Amounts but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof, except that one such Bond may reflect an irregular denomination. The Capital Appreciation Bonds shall be dated the date of their issuance, shall be issued in the aggregate Principal Amounts, shall mature on the dates, in the years and in the Maturity Amounts, and shall accrete interest at the accretion rates, all as set forth in the Purchase Contract.

(b) Interest on each Capital Appreciation Bond, if any, shall be compounded semiannually on March 1 and September 1 of each year until maturity, or as otherwise set forth in the Purchase Contract, commencing on the date set forth in the Purchase Contract, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of its Maturity Amount or at earlier redemption at its Accreted Value.

Section 11. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds within each series. Upon initial issuance, the ownership of each such Bond certificate shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER

ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

With respect to Bonds registered in the Bond Register in the name of the Nominee, the County and the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the County and the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The County and the District may treat and consider the person in whose name each Bond is registered in the Bond Register as the absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the County of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) If at any time the Depository notifies the County and the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Treasurer within 90 days after the County and the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the Treasurer shall issue new bonds representing the Bonds as provided below. In addition, the County and the District may determine at any time that the Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the Treasurer shall execute and deliver certificates representing the Bonds as provided below. Certificates issued in exchange for book-entry securities pursuant to this subsection (b) shall be registered in such names and delivered in such denominations as the Depository shall instruct the County and the District. The Treasurer shall then deliver certificates representing the new bonds to the persons in whose names such Bonds are so

registered.

If the County and the District determine to replace the Depository with another qualified securities depository, the County and the District shall prepare or cause to be prepared a new fully registered book-entry security for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the County, the District and such securities depository and not inconsistent with the terms of this Resolution.

(a) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(b) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

Section 12. Execution of the Bonds.

(a) The Bonds shall be executed in the name of the District by the County by the manual or facsimile signature of the Chair of the Board and the manual or facsimile signature of the Treasurer, and shall be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board or by a deputy of either of such officers. The County's seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced on each Bond. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been issued by the County on behalf of the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed and sealed on behalf of the County by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the County, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefits of this Resolution.

Section 13. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A-1 or A-2 hereto, duly executed by the Owner or his duly authorized attorney, and payment of such

reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute Owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the County, the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

Section 14. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section 14 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this

Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

Section 15. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books.

Section 16. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the general fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first class mail, postage prepaid, not less than 90 days prior to the date of such payment to the effect that said money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the general fund of the District. Thereafter, the Owners of such Bonds shall look only to the general fund of the District for payment of such Bonds.

Section 17. Application of Proceeds. Upon the sale of the Bonds, the Treasurer shall deposit or cause to be deposited the proceeds thereof, exclusive of accrued interest and any original issue premium, into the fund established for the account of the District and designated as the "Mt. San Antonio Community College District General Obligation Bonds, 2001 Election, 2008 Series D, Building Fund," which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other accounts held hereunder. The District shall, from time to time, disburse from the Building Fund to pay Project Costs. Amounts in the Building Fund shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the Building Fund.

Any amounts that remain in the Building Fund at the completion of the Projects shall be transferred by the District to the Debt Service Fund to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Tax Exemption Certificate.

Section 18. Payment and Security for the Bonds. The Board shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct *ad valorem* tax for the Fiscal Year upon the taxable property in the District in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable in the next succeeding Bond Year. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The County, on behalf of the District, hereby pledges as security for the Bonds and the interest thereon, shall deposit or cause

to be deposited in the Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "Pledged Moneys"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon.

Section 19. Debt Service Fund.

(a) The County shall deposit or cause to be deposited any accrued interest and any original issue premium received by the County from the sale of the Bonds in the fund established for the account of the District and designated as the "Mt. San Antonio Community College District General Obligation Bonds, 2001 Election, 2008 Series D, Debt Service Fund" to be administered by the County and used only for the payment of the Principal of, premium, if any, and interest on the Bonds.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(c) The County shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "Debt Service") on such Interest Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the general fund of the District.

Section 20. Establishment and Application of Excess Earnings Fund. The District shall establish a special fund designated "Mt. San Antonio Community College District General Obligation Bonds, 2001 Election, 2008 Series D, Excess Earnings Fund" which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys from the General Obligation Building Fund to the Excess Earnings Fund in accordance with the provisions of the Tax Exemption Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Exemption Certificate. The District is solely responsible for compliance with the terms of the Tax Exemption Certificate. The County shall have no responsibility or liability for the District's compliance thereunder nor does it assume any such responsibility or liability.

Section 21. Payments of Costs of Issuance. The District may pay, or cause to be paid, Costs of Issuance using moneys disbursed from time to time, as appropriate, from the General Obligation Building Fund.

Section 22. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the County Office of Education may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

Section 23. Redemption. The Bonds shall be subject to redemption as provided in the Purchase Contract.

Section 24. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Purchase Contract for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall select Bonds for redemption in such order as the District may direct, or, in the absence of such direction, in inverse order of maturity within a series. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof.

Section 25. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Purchase Contract, the Paying Agent, upon written instruction from the District given at least 60 days prior to the date designated for such redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price or Accreted Value, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount, of such Bond to be redeemed, and (g) the original issue date, interest or accretion rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds, and that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically

confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section, such Redemption Notice shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by series and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 26. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

Section 27. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside for the payment of their redemption price, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 23 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Sections 23, 24 and 25 shall be cancelled upon surrender thereof and delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent upon written notice by the County or the District given to the Paying Agent.

Section 28. Paying Agent, Appointment and Acceptance of Duties.

(a) The Board and the Treasurer hereby consent to and confirm the appointment of the Treasurer to act as Paying Agent for the Bonds under this Resolution. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The Treasurer is authorized to contract with any qualified third party to perform the services of Paying Agent. The Paying Agent, if other than the Treasurer acting as Paying Agent, shall have a corporate trust office in Los Angeles, California.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

Section 29. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

Section 30. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the County or the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

Section 31. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. In no event shall the County be required to expend its own funds hereunder.

Section 32. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

Section 33. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The Paying Agent initially appointed hereunder may resign from service as Paying Agent and in the event the Treasurer selects a third party to perform the services of initial Paying Agent, the Treasurer may remove such Paying Agent or any subsequent Paying Agent as provided in the respective Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$50,000,000 in net assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds

paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the County and the District, a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or, if there is no successor, the Treasurer.

Section 34. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the Building Fund, the Excess Earnings Fund and the Debt Service Fund shall remain in such funds.

Section 35. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

Section 36. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that so long as the Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification thereof or hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

Section 37. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the County may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

Section 38. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

Section 39. Defeasance. If all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

(1) by well and truly paying or causing to be paid the Principal of and interest on all Bonds Outstanding, as and when the same become due and payable;

(2) by depositing with the Paying Agent, in trust, at or before maturity, cash which, together with the amounts then on deposit in the Debt Service Fund plus the interest to accrue thereon without the need for further investment, is fully sufficient to pay all Bonds Outstanding on the redemption date or at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

(3) by depositing with an institution to act as escrow agent selected by the District and approved by the County and which meets the requirements of serving as Paying Agent pursuant to Section 33, in trust, lawful money or noncallable direct obligations issued by

the United States Treasury (including State and Local Government Series Obligations) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient, in the opinion of a verification agent satisfactory to the County, to pay and discharge all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the County, the District and the Paying Agent under this Resolution with respect to all Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 31 hereof.

Section 40. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if the Treasurer, in consultation with the Underwriter and the District, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

The Bonds of this issue are comprised of \$_____ Principal Amount of Current Interest Bonds, of which this Bond is a part (a "Current Interest Bond") and \$_____ Principal Amount of Capital Appreciation Bonds. This Bond is issued by the County of Los Angeles (the "County") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 1.5 of the California Education Code (commencing with Section 15264) (the "Act") and (ii) Article XIII A of the California Constitution, and pursuant to a resolution adopted by the Board of Trustees of the District on April 23, 2008 and that certain "Resolution of the Board of Supervisors of the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligation Bonds, 2001 Election, 2008 Series D, of the Mt. San Antonio Community College District in an Aggregate Principal Amount Not to Exceed Twenty-Six Million Three Thousand Seven Hundred Ninety-Seven and 25/100 Dollars," adopted by the Board of Supervisors of the County on _____, 2008 (collectively, the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the office of the Treasurer of the County, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of more than 55% of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to both Principal and interest from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The Current Interest Bonds maturing on or before September 1, 20__ shall not be subject to redemption prior to their maturity dates. The Current Interest Bonds maturing on or after

September 1, 20__ may be redeemed before maturity, at the option of the District, from any source of available funds, on September 1, 20__ or on any date thereafter as a whole, or in part, at the principal amount thereof, together with interest accrued thereon to the date of redemption, without premium.

The rights and obligations of the County and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

Interest on this Bond with respect to the initial Principal Amount hereof will accrue at the Accretion Rate per annum shown above from the Dated Date shown above and will be compounded semiannually on March 1 and September 1 of each year until maturity, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of the Maturity Amount. The Accreted Value hereof is payable at the office of the paying agent (the "Paying Agent"), initially, the Treasurer in Los Angeles County, California.

The Bonds of this issue are comprised of \$ _____ of Principal Amount of Capital Appreciation Bonds of which this Bond is a part (a "Capital Appreciation Bond") and \$ _____ Principal Amount of Current Interest Bonds. This Bond is issued by the County of

Los Angeles (the "County") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 1.5 of the California Education Code (commencing with Section 15264) (the "Act") and (ii) Article XIII A of the California Constitution, and pursuant to a resolution adopted by the Board of Trustees of the District on April 23, 2008 and that certain "Resolution of the Board of Supervisors of the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligation Bonds, 2001 Election, 2008 Series D, of the Mt. San Antonio Community College District in an Aggregate Amount Not to Exceed Twenty-Six Million Three Thousand Seven Hundred Ninety-Seven and 25/100 Dollars," adopted by the Board of Supervisors of the County on _____, 2008 (collectively, the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the office of the Treasurer of the County, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of more than 55% of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to Maturity Amount from *ad valorem* taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Maturity Amount of this Bond, or any part hereof, nor any premium hereon constitute a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District, the County and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Capital Appreciation Bonds are subject to mandatory redemption prior to their maturity date, by lot, at the Accreted Value thereof, without premium, on each September 1, in the years and in an amount equal to the aggregate Accreted Values set forth below:

<u>Redemption Date</u>	<u>Accreted Value To Be Redeemed</u>

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other covenants and agreements to be observed by the County which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Accreted Value, without premium, is duly provided therefor as specified in the Resolution, then interest shall cease to accrete with respect hereto from and after the date fixed for redemption.

To the best knowledge of the County and the District, no decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or shall be pending or threatened, which has any of the effects described in Section 7(f) or 8(e) hereof or contesting in any way the completeness or accuracy of the Official Statement;

(d) Marketability. Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices of the Bonds set forth in the Official Statement shall not have been materially adversely affected in the judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(6) the withdrawal or downgrading of any rating of the District's outstanding indebtedness by a national rating agency;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; or

(8) the State of California Department of Corporations, Securities Regulation Division, Blue Sky or securities commission, or other governmental agency or body of the State of California, shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto.

OPINION OF COUNTY COUNSEL

§ _____
**MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
LOS ANGELES COUNTY, CALIFORNIA
GENERAL OBLIGATION BONDS
2001 ELECTION, 2008 SERIES D**

Ladies and Gentlemen

This opinion is rendered as counsel to the County of Los Angeles (the "County") in connection with the issuance by the Mt. San Antonio Community College District (the "District") of its General Obligation Bonds, 2001 Election, 2008 Series D in the aggregate principal amount of \$ _____ ("Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on May __, 2008 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by the Board of Trustees of the District on April __, 2008 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution, the Purchase Contract dated _____, 2008 (the "Purchase Contract") and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and existing pursuant to the Constitution and the laws of the State of California.
2. The County Resolution approving and authorizing the execution and delivery of the Purchase Contract and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.
3. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending, in which service of process has been completed on the County, or, to the best knowledge of the County, threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Purchase Contract or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Purchase Contract, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Purchase Contract;

or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Purchase Contract has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Purchase Contract will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Purchase Contract and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Purchase Contract or the Bonds.

Very truly yours,

**RESOLUTION NO. 07-08
MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA**

**RESOLUTION AUTHORIZING ISSUANCE OF NOT TO EXCEED
\$26,003,797.25 OF MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
GENERAL OBLIGATION BONDS, 2001 ELECTION, 2008 SERIES D**

WHEREAS, the issuance of not to exceed \$221,000,000.00 aggregate principal amount of general obligation bonds (the "Authorization") of the Mt. San Antonio Community College District (the "District"), County of Los Angeles (the "County"), State of California, was authorized at an election (the "Election") held in said District on November 6, 2001, the proceeds of which are to be used for the construction, improvement, equipping, and furnishing of various capital facilities of the District; and

WHEREAS, the Registrar-Recorder/County Clerk of the County certified to the effect that the official canvass of returns for the Election reflected that more than 55% of the votes cast on the District's bond measure submitted to the voters at the Election (the "Measure") were cast in favor of the Measure, and such result was entered in the minutes of this Board of Trustees (the "District Board"); and

WHEREAS, the District previously caused the County to issue and sell \$194,996,202.75 aggregate principal amount of its general obligation bonds under and pursuant to the Authorization, leaving the amount of \$26,003,797.25 authorized but unissued thereunder; and

WHEREAS, Section 15140 of the Education Code of the State of California authorizes the Board of Supervisors of the County (the "County Board") to borrow funds through the issuance of bonds in the name and on behalf of the District; and

WHEREAS, the District Board has determined that financial market conditions are favorable for the issuance and sale of not to exceed \$26,003,797.25 of the Authorization to be used for the Projects approved by the voters at the Election; and

WHEREAS, the District Board hereby determines that such bonds should be offered at this time, in one or more series, and requests the County Board to offer such bonds for sale; and

WHEREAS, the District Board has previously retained RBC Capital Markets Corporation as its Underwriter (the "Underwriter") and Fulbright & Jaworski L.L.P. as its Bond Counsel ("Bond Counsel") and Disclosure Counsel ("Disclosure Counsel") in connection with the issuance of bonds under the Authorization;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Mt. San Antonio Community College District, as follows:

Section 1. Recitals. The foregoing recitals are true and correct.

Section 2. Purpose and Authorization. This District Board hereby determines that general obligation bonds of the District in the aggregate principal or issue amount of not to exceed \$26,003,797.25 be offered for sale in one or more series (the "Bonds"), as more particularly described in Section 3 below, the proceeds of which are to be used for the acquisition and improvement of certain real property, equipping, and furnishing of facilities of the District, as set forth in the bond proposition approved at the Election.

Section 3. Purchase Contract and Terms of Bonds. Pursuant to Section 15146(b) of the California Education Code, the District Board hereby requests the County Board to issue the Bonds and to order such Bonds to be sold to RBC Capital Markets Corporation, as Underwriter, at a negotiated sale in accordance with a Contract of Purchase (the "Purchase Contract") to be prepared and entered into by and among the District, the County and the Underwriter in connection with the sale of the Bonds, substantially in the form submitted to and considered by this Board. The District has determined that conditions in the municipal marketplace are sufficiently complex that the increased flexibility the Underwriter can provide in structuring and planning the sale of the Bonds dictates sale on a negotiated basis. The costs of sale of the Bonds, which include bond counsel fees, printing and rating charges, fiscal agent fees, paying agent and dissemination agent fees, municipal data collection and other related fees are estimated at no more than \$155,000.00. In addition, the municipal bond insurance premium, if applicable, is estimated to be 0.40% of total debt service. The Bonds shall be dated their date of delivery (or such other date as may be designated in the Purchase Contract), shall bear or accrete interest at rates not to exceed 8.0% per annum, payable with respect to any Bonds bearing current interest on the dates as may be set forth in the Purchase Contract, and accreting with respect to any Bonds which are issued as capital appreciation bonds, payable upon maturity or conversion, and shall mature no later than 25 years following their date of issuance. The purchase price of the Bonds shall reflect an Underwriter's discount of not to exceed 0.80% (not including original issue discount) of the aggregate principal or issue amount thereof. Final terms of the Bonds shall be as set forth in the Purchase Contract.

The form of Purchase Contract on file with the District Board is hereby approved and the President of the District (the "President"), the Vice President, Administrative Services of the District (the "Vice President"), or any designee thereof (each, an "Authorized Officer"), and each of them is hereby authorized to execute the Purchase Contract, with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof. The District has instructed the Underwriter to establish the terms, series, interest structure and redemption provisions for the Bonds in order to take advantage of financial market conditions prevailing at the date of sale of the Bonds under the Purchase Contract. Final terms of the Bonds shall be as set forth in the Purchase Contract. Depending upon market conditions, the District may elect to purchase bond insurance to secure the payment of principal of and interest on or

accreted value of the Bonds, or one series thereof, following consultation with the Underwriter and Treasurer and Tax Collector of the County or an authorized deputy thereof (the "Treasurer").

Official Statement. The District Board hereby approves the form of Preliminary Official Statement relating to the Bonds on file with the Secretary of the District Board and to be used and distributed, together with a final Official Statement, in each case with such changes as are approved by the Authorized Officer, and such other officers of the District as may be authorized by the District Board are, and each of them acting alone hereby is, authorized to deliver copies of the Preliminary Official Statement and the Official Statement, with such changes therein as such officer shall approve, in his or her discretion, as being in the best interests of the District. Upon approval of such changes by such officer, the Preliminary Official Statement shall be "deemed final" as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (the "Rule"). Any Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 4. Book-Entry System. The Bonds shall be issued in book-entry only form, to be lodged with The Depository Trust Company ("DTC") in New York, New York, which shall be the registered owner of the Bonds issued at the closing in the form of a single certificated Bond for each maturity within a series of the Bonds described in the Purchase Contract. The Underwriter is directed to assist the District and the County in qualifying the Bonds for deposit with DTC.

Section 5. Paying Agent. Unless the Treasurer shall appoint a commercial bank as paying agent in connection with the closing of the Bonds, the Treasurer shall serve as Paying Agent for the Bonds, the first annual fees for which shall be paid from proceeds of the Bonds; subsequent annual fees shall be paid by the District. The District Board hereby authorizes the Authorized Officer to execute a paying agent agreement, if required, respecting the Bonds for and on behalf of the District.

Section 6. Tax Covenants. The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Bonds, or of any of the property financed or refinanced with the proceeds of the Bonds, or other funds of the District, or take or omit to take any action that would cause the Bonds to be deemed "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Bonds.

The District further covenants and agrees to comply with the requirements of the Tax Exemption Certificate to be executed and delivered in connection with the delivery of the Bonds to the original purchasers thereof.

Section 7. Due Authorization; Compliance with Law and the Constitution. The District Board determines that all acts and conditions necessary to be performed by the District Board or to have been met precedent to and in the issuing and sale of the Bonds in order to make them the legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and met, in regular and due form as required by law; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 8. Continuing Disclosure.
